SSORC 2020-11-28-2

Course for SSORC Divisions on Sunday 29 November

Due to the Gale Warning current for Coastal Waters, the scheduled program of offshore races is replaced by a single inshore race for all divisions.

The starting area will be Watson's Bay with the first warning signal at 1055hrs.

The courses will be advised through a Notice to Competitors posted to the [race documents page](#) and emailed to registered skippers no later than 0900hrs on Sunday 29 November.
